

**FDR3690 Rear Discharge Mower**

<b>Features</b>	<b>Benefits</b>
<b>Gearbox Horsepower rating</b>	30 - 70 horsepower (22.4 - 52.2kW)
<b>Rear discharge</b>	The wide, even dispersal of grass leaves a fine thin layer directly behind the mower, vs. a possible windrow to the side. Keeps grass from blowing in unwanted areas. Easier to mow around objects.
<b>Deflectors</b>	Built-in to direct material and debris down.
<b>Clevis type lower hitch points</b>	Allows for easy hook-up by being able to remove pins and back into clevises.
<b>Floating 3-point</b>	Top and bottom hitch points float up and down which allows the mower to float over uneven terrain.
<b>1/4" (6mm) Rolled front on deck</b>	Roll formed front deck edging designed to take heavy abuse.
<b>Frame-over-deck design</b>	Frames takes stress out of deck by supporting it.
<b>3/16" (5mm) Deck thickness</b>	Heavy deck material to aid in overall strength and longevity. Reinforced spindle mounts.
<b>Lower hitch points adjust in and out</b>	Accommodates many tractor configurations by adjusting in and out.
<b>Semi-solid tires with roller bearings</b>	Semi-solid tires offer premium flotation. Roller bearings allow for a long life. Semi-solid tires offer shock absorption.
<b>Heavy-duty Gauge wheel arms</b>	Rectangular tubing increases strength.
<b>Non-aligned gauge wheels</b>	Rear wheels don't track behind the front wheels to reduce laying grass over.
<b>High blade tip speed</b>	16,500 FPM (83.8mps) For cleaner cutting and better dispersion of clippings.
<b>Blade overlap</b>	Blade overlap of 2" (5.1cm) assures no skipping in tight turns.
<b>1 3/8" Machined blade spindle with ball bearings and cast iron housing.</b>	Machined spindle for balanced performance and accuracy, ball bearings for smooth and quiet running, cast iron housing for added protection and durability.
<b>Top greasing blade spindles</b>	Makes greasing blade spindles easy. No shields to remove.
<b>Double V Kevlar belt</b>	Kevlar material adds additional strength.
<b>Spring loaded adjustable idler</b>	Allows for constant and proper tension on belt. Better than adjusting gearbox for belt tension.
<b>Top Hitch</b>	Top hitch has two hook-up points which allows greater lifting leverage for smaller tractors.
<b>5 Year Limited Gearbox warranty</b>	Shows our confidence in the gearbox integrity. 5 Years Parts & Labor
<b>Driveline hanger</b>	For ease in hookup and storage of driveline. Keeps driveline off ground.
<b>Quick Hitch Compatible</b>	Compatible with Land Pride Quick Hitch for easy attachment and removal. Increases productivity.
