

Soil Pulverizers

SP20 & SP30 Series Soil Pulverizers

Features	Benefits
Working widths	20 Series: 60", 72"; 30 Series: 72", 84"
HP Range	20 Series: 20-35 HP; 30 Series: 30-50 HP
Replaceable heat-treated sleeves	Heat-treated replaceable sleeves on roller protect spike. Easily replace the sleeve when worn vs. replacing entire spike.
3/8" Steel spikes welded to the roller's surface	Spikes are welded to the roller's surface rather than to a hole. Damaged spikes can be cut off and replaced.
Self-aligning bearings with double lip seals on rear roller	Self-aligning bearings conform to the roller and shafts.
1" Diameter shaft in roller	Heavy shaft can handle the shock loads from the roller.
Roller has most number of steel spikes on it	Better pulverization.
H Beam	20 Series: H Beam-10"; 30 Series: H Beam-12"
10 1/2" x 2" x 2" Scarifier teeth	Scarifier teeth are heat-treated for long life and can be reversed when one side wears down.
Warranty	One year parts and labor
Fits Land Pride Quick-Hitch	Cat. 1 3-point fits Land Pride Quick-Hitch for easy on-off with one person.
