Commander SERIES

RC55 SERIES

50 - 250 HP — 15'

Available in:

5 year
Limited
Gearbox Warranty

Double your smooth.

Pre-Cut Chamber

Allows material to spring back up before being cut; gives a cleaner, more precise finish.

- Smooth top design
- 15' Cutting width
- 7 Gauge bottom, 10 gauge top
- Pull-Type, self leveling hitch and clevis
- 2" - 14" Cutting height
- 3-1/2" Cutting capacity
- Shredder kit available
- Cat. 4 or 5 slip-clutch wing drivelines
- 6 or 8 Wheel option
- Center walking tandem axle available
- Replaceable 1/4" side skirts
- Optional front and rear shielding
- Optional deck rings

The RC5515 not only features a smooth top, but our underside is just as smooth. No nooks or crannies to allow debris to compact in and no frame members to get hung up on obstructions.

- 10" deck height
- Optional hitch configurations
- 2-3/8" Gearbox output shaft
- 5-Bolt cast iron wheel hubs

5 year
Limited
Gearbox Warranty*

Our center skid shoes allow the cutter to "glide" over bumps and undulations and can be mounted in two locations to fit your terrain or tractor tire width.

* See dealer for complete warranty information.
