

# Plainsman SERIES

## RCR35 SERIES

50 - 160 HP — 15'

- 10 Gauge deck
- Cat. 5 input driveline
- 1 1/2" Cutting capacity
- Deck rings available

Available in:

**5** year  
Limited  
Gearbox Warranty\*

**MEDIUM  
DUTY**

The smooth underside of the deck eliminates plugging and enhances overall cutting performance. Optional rubber or chain guarding is available.

13

Choice of used aircraft tires w/wo foam, laminated tires or 15" rims.

The heavy-duty turnbuckle keeps the center and wing axles at the same cutting height. With grease fittings incorporated in the turnbuckle, free motion is maintained for quality performance.

The 1" thick, 4" wide reinforcement aids the dishpan in withstanding the constant punishment the overall drivetrain must endure.
