

QUICK-HITCHES

The True Timesavers.

Land Pride's Category 1 Quick-Hitch attaches to the tractor 3-point allowing you to easily hook on to implements, some without ever leaving the tractor seat. The Skid Steer Hitch enables you to operate Cat. 1 or 2 non-PTO tractor implements with your skid steer loader. Our Quick-Hitch Systems, designed in accordance with ASAE specifications, fit most Land Pride products and are a real time saver when working on multiple projects.

QH15 SERIES
