# General Information

## Using This Manual

This manual is divided into sections. The first section contains General Information. The remaining sections divide the machine into segments (i.e. Frames, Drives, Hydraulics, etc.) which illustrate and list all parts. A Parts Number Index is located at the back of the book.

The Land Pride parts in this manual are specially designed for this machine and should be replaced with Land Pride parts only.

The information in this manual is current at time of printing. Some parts may change to assure top performance.

Right-hand and left-hand as used in this manual are determined by facing the direction the machine will travel while in use.

Below is an example of two facing pages from a parts manual. Familiarize yourself with the type of information contained on these pages.

## Manual Replacement Information

Replacement manuals are available. Refer to our website at [www.landpride.com](http://www.landpride.com) or e-mail us at [lit@landpride.com](mailto:lit@landpride.com) for additional information. Our website continues to provide the most up-to-date manuals available.

## Touch-up Paint

Repaint parts where paint is worn or scratched to prevent rust. Aerosol cans and touch-up bottles with brush applicator are available through your local dealer. Also available are quart and gallon size paints. Add QT or GL to end of the Aerosol P/N.

Land Pride color descriptions and part numbers are listed on the "Land Pride Touch-up Paints" page in the "Decals" section of this book. Color options vary by product.

## General Information

### Hardware Legend

<b>AR</b>	As Required
<b>BLADE</b>	Blade Bolt
<b>C</b>	Cap Screw
<b>CP</b>	Cotter Pin
<b>CPHSSS</b>	Cup Point Hex Socket Set Screw

<b>STCS</b>	Self Tapping Cap Screw
<b>STHMS</b>	Slotted Truss Head Machine Screw
<b>WHEEL</b>	Wheel Studs and Hub Long Bolts
<b>WING</b>	Wing Bolt

### Replacement Hardware

The **Hardware Legend** above lists hardware abbreviations used in the parts list. All bolts and nuts are Grade 5 unless otherwise noted. The use of improper grades of hardware can result in personal injury, damage to equipment, or loss of property.

### Colored Replacement Parts

Land Pride offers replacement parts in factory standard colors and also on select models in Green, Orange, Red and Blue. Because of the variety of colors available, special attention must be given to the part number to prevent ordering the wrong replacement part.

A suffix number corresponding to one of the colors below must be added at the end of Land Pride's part number when ordering a replacement part with that color.

**81 . . . . . Green      83 . . . . . Red**  
**82 . . . . . Orange    84 . . . . . Blue**

For example, if you are ordering a replacement part with part number 555-555C and the part you need is red, then add the suffix 83 to the end of the number to make the part number read 555-555C83. Parts ordered without a suffix number will be supplied in factory standard colors.

### Black Replacement Parts

Some parts are factory standard black and some must be special ordered black. If your part is special ordered black, a second part number with the additional suffix number 85 on the end will be available. In this situation you must order that part with the suffix number for it to be black. Parts that are factory standard black will not have the suffix number.

### Part Number Service Coding

Within the parts list some part numbers are coded for revisions and interchangeability. See notations in revision column.

### Serial Numbers

Always use the serial and model number when ordering parts. Refer to the Operator's Manual for serial number plate location.

- |                      |  |
|----------------------|--|
| (S/N 20001+)         | Includes serial numbers 20001 and above (to the latest number)   |
| (S/N 10001 to 20000) | Includes serial numbers between and including 10001 and 20000    |
| (S/N 10000-)         | Includes serial numbers 10000 and below (to the earliest number) |
